Masks Required at Church

Much can change in a week. With the rising number of positive Covid cases in Mendocino County, the County Health Officer issued a new Health Order on August 10th.

This health order requires all persons, vaccinated and non vaccinated, to wear masks at indoor public settings. Therefore, we will be requiring all persons that attend worship in person on Sunday to wear a mask.

Our main concern is to care for the most vulnerable in our congregation. It is out of our love and care for one another that we, as a church, make decisions and take actions.

We are changing our mask policy for Sunday mornings to align with the new health order:

- Please stay home and join us online if you are not feeling well.
- Wear a mask during worship service, whether you are vaccinated or unvaccinated.
- Speaker and the worship team while leading or preaching will do so unmasked.

Church leadership will:

- Continue to monitor the situation and county requirements.
- Continue to have a section for those wanting to remain 6 feet apart.
- Make changes to our mask policy as our situation changes.

Please continue to remain flexible during this challenging time and keep our church leadership, community, nation and world in your prayers.

May the peace of God be upon you,
Session
